

Abstract Submission Form

SUSTAINABILITY AND THE SCIENCE OF WELL-BEING

Submit abstracts on your involvement, your expertise and the current and future challenges you anticipate with respect to the development and management of laboratories within the following Streams:

- 1. Design & Engineering – For the People and of the People – Case Studies and Sharing Applications**
- 2. Operations and Facilities Management – Better Research Environments**
- 3. Products, Technology and Energy Management**

Categories:

**Select all that apply.*

Design & Engineering

- Laboratories and the “Enhanced Experience”
- Recruitment and Retention – SPACES that “sell”
- The “Social” in the Science – Socially Sustainable Approaches
- The quality of “Place” – the relationship to the quality of the experience and the quality of the scientific outputs
- WELL as a fundamental design tool
- The Built Environment – A vehicle to support health and WELL-BEING
- Investing in the most valuable resources – the people
- Trends in WELL based lab design
- Energy Modeling
- Design Challenges

Operations and Facilities Management

- Comfortable, Healthy and Happy – tools and techniques to get us there
- Design & Operations – How they impact and influence Human Behavior
- NET ZERO solutions and carbon neutrality
- Climate and Resiliency – how will we adapt
- Benchmarking Well-being
- User Engagement in Design and Monitoring

Products, Technology and Energy Management

- Energy Conservation towards WELL-BEING
- Measuring, Certifying and Monitoring features of the built environment
- To “Serve and Protect” – Systems & Features that support Well-being
- Design & Operations – How they impact and influence Human Behavior
- Innovative systems that support Health & Wellness
- Commissioning strategies and WELL-BEING
- Energy Management
- Smart Building Technologies
- Products that “sell WELL”
- Pushing towards Net Zero in labs
- Labs and the 2030 Challenge
- Performance Improvements

Type: Oral Poster

Abstract Submission Form

SUSTAINABILITY AND THE SCIENCE OF WELL-BEING

Abstract Title:

Author List:

Name

Affiliation

Presentation Objectives:

Provide a short (1-2 line) description of the objective and focus of the presentation.

“The objective of this presentation is to ...”

Abstract:

*500 words maximum

**Please note that all sections in this form must be completed
for the abstract submission to be considered.**

Submit to info@slcan.ca.

Abstract Submission Form

SUSTAINABILITY AND THE SCIENCE OF WELL-BEING

Speaker Name:

Title:

Department/Organization:

E-mail:

Speaker Biographies

*100 words maximum per bio in paragraph form

Deadlines:

Abstract Deadline	May 17, 2019
Author Notification	June 7, 2019
Revised Abstract Due	June 21, 2019
Draft PPT Due	October 4, 2019
Final (Revised) PPT Due	October 18, 2019
Translated PPT due	November 4, 2019

**Please note that all sections in this form must be completed
for the abstract submission to be considered.**
